

DAY OF TROUBLE

(Geraldine Latty/Carey Luce)

In the day of trouble
Desperate for your help [x2]

***Won't you come to save us
God we cry for freedom
Won't you come to save us
God we cry for freedom, oh, oh***

In the day of trouble
Desperate for your help [x2]

***Won't you come to save us
God we cry for freedom
Won't you come to save us
God we cry for freedom, oh, oh***

***Won't you send an answer
God will you protect us
Won't you send an answer
God will you protect us, oh, oh***

Bridge:

Lord, Lord, we need your rescue
Lord, Lord, time for your rescue
Lord, Lord, show us your rescue plan
