

THERE'S A CRY

(Geraldine Latty/Carey Luce)

There's a cry rising up
There's a cry that won't be silenced
There's a cry from deep ages past

***Lord, Lord, save, save [x3]
Lord, save your people today***

There's a cry rising up
There's a cry that won't be silenced
There's a cry from deep ages past

***Lord, Lord, save, save [x3]
Lord save your people today***

Lord, Lord, save, save [x3]

***Lord, save your people
Lord, save your people
Lord, save your people today
[x3]***
